Dear Patient,

Dr. Schimp and staff would like to welcome you to our integrative and functional medicine clinic. We look forward to meeting you.

WHAT TO EXPECT

Please complete the attached intake forms and obtain a copy of your prior medical records (including laboratory and imaging reports). You can fax, mail or hand-deliver forms and medical records to our clinic – **Please provide your information at least 1 week (7 days) in advance of your appointment.**

CONSULTATIONS

INITIAL: The initial consultation with Dr. Schimp will be 60 minutes. A thorough review of your medical history will be completed during this time. We will also discuss recommendations and options regarding tests that will help evaluate your health in greater detail. The purpose of testing and costs will be discussed.

LAB VISIT: A fasting lab draw and pertinent physical examination will be performed at a subsequent visit at the clinic. Depending on the level of care needed this visit will be 15 or 30 minutes in length with Dr. Schimp. Lab results typically return in 1-2 days but on occasion can take up to 2 weeks. Some tests will be completed at home – we will provide a kit for either urine, stool or saliva collection. A 10 hour fast is needed prior to collecting your blood samples. You should drink water during this fast and continue taking your prescription medications. Laboratory diagnostic testing helps Dr. Schimp design your personal health care program and will help uncover the root causes of your health conditions.

FOLLOW-UP: After the lab information is available a 30-minute review visit will be scheduled. At this visit Dr. Schimp will also discuss dietary and lifestyle recommendations, provide home-care instructions and handouts and will provide specific supplement instructions. Dr. Schimp selects the highest quality products to ensure maximum therapeutic effectiveness. These products can be purchased at the clinic. Refills can be picked-up at the clinic or shipped (\$10 flat rate shipping fee). Most patients can expect to have a working plan in place within 1-2 weeks of initiating care.

EMAIL SUPPORT: Dr. Schimp responds promptly to email questions when further support is needed. Additional visits can be scheduled as needed. Initial electronic contact can be made through the “contact us” page at www.doctorschimp.com. When necessary, repeat lab evaluations are scheduled at 1-3 month intervals (occasionally longer).

OBTAINING YOUR MEDICAL RECORDS

Medical records can only be released with your authorization. You are responsible for obtaining previous medical records from other physicians or health care providers. A medical records release form is included for your use. Please contact your physician or other health care provider to obtain these records.

Your records should be express mailed to – Dr. David Schimp 937 E. Sumner St., Hartford, WI 53027

CONFIRMATION AND CANCELLATION OF APPOINTMENTS

If you must cancel or re-schedule your appointment, please contact us at least seven (7) days prior to your appointment.

INSURANCE INFORMATION

Dr. Schimp does not participate in any health insurance plans. Services through the clinic will be considered out-of-network. Payment is expected on the day of service. We will, however, submit a claim to your insurance carrier on your behalf. Health insurance plans vary considerably and coverage often cannot be determined until a claim is submitted. If your insurance company covers services then a reimbursement check will be sent directly from your insurance company. Medicare does not provide coverage for integrative and functional medicine services but secondary coverage occasionally reimburses patient for these services.
